

## A MISSTATEMENT EXPLODED.

For a week past the Democratic press has been howling exultantly over a statement made by the *Silver State* to the effect that R. K. Colecord's name was not on the Esmeralda tax roll.

Allen Bragg, editor of the *Gazette*, wrote to Jerry Quinn, Assessor of Esmeralda county, relative to the matter, and received the following reply:

ASSESSOR'S OFFICE,  
ESMERALDA COUNTY, NEVADA,  
Jerry Quinn, Assessor,  
Hawthorne, Nev., Sept. 23, 1890.  
A. C. Bragg—DEAR SIR: Replying to your favor of the 20th inst. I would say that R. K. Colecord is assessed in this county for \$1,200 as follows: Household goods and furniture, \$400; piano, \$200; jewelry and watches, \$500; two cows, \$60; one saddle horse, \$40. Total \$1,200. Yours truly,  
JERRY QUINN,  
Assessor of Esmeralda County.

The above completely dispenses of the only charge that has yet been made against the Republican nominee.

There is now nothing left for the papers making the charge, but to make a manful acknowledgment and present their apologies to their readers for indulging in misleading statements.

## UNJUST TAXATION.

Hon. Wm Thompson, an active business man of Reno, favors a Constitutional Convention for the reason that double taxation under our present Constitution is of frequent occurrence and drives capital from the State. In support of his assertion before the Board of Trade he cited a case, in which he was interested where property was created fictitiously by taxing a ranch, the money which was paid for it, and the note given for the money, which was borrowed. Here in our own county, and doubtless the rule prevails throughout the State, mortgages held by the residents are taxed while those held by non-residents are not. This discrimination against resident capitalists is evidently calculated to drive them from the State, as they can not compete with the non-resident money lenders. As the Supreme Court has decided that the mortgage held by residents of the State are subject to taxation the only remedy for the injustice is by changing the constitution and give resident capitalists an even show with the non-resident one.—*Silver State*.

The Houston and Texas Central Railway has employed negro switchmen in its yards at Houston, Texas, for several years. About two weeks ago a demand was made for their removal, their places to be filled by whites. The demand was refused, and on Saturday the firemen struck. The railway officials argue that if colored men are good enough to sit in the councils of the Knights of Labor, they should be good enough to work with.

Six hundred and eleven Republican votes in Ormsby rather gives rise to the suspicion that a few Democrats at least took a somewhat lively interest in yesterday's primaries. Harrison only polled 475 two years ago. The *Appeal* congratulates the Bourbons who have experienced so sudden a change of heart.

Mexican newspapers call on the Government to appeal to the Postal Union against the action of the United States Government in forbidding the transportation of Mexican newspapers bearing the Mexican postage and containing lottery advertisements.

The Sacramento *Bee* stings: It is not O'Brien and Dillon who are on trial, but the English Government which has been brought before the bar of public opinion.

That was a manly response of Michael Davitt to a toast in London. "I undertake never to do as an editor that which I would be afraid to do as a gentleman."

M. C. Gardner proposes to keep the fat of the land in his market and is here to stay. Give him a call. s18tf
